City Manager

policies, procedures, strategies, and internal investigations.

OIR works independently of the Fresno Police Department and provides the City's leaders and the public with objective analysis of policing data, actions, and outcomes.

OIR analyzes complaints filed by citizens with the Police Department Internal Affairs Division to ensure they have been investigated fairly and thoroughly. The OIR also provides an objective analysis of individual units within the police department to ensure compliance with policy and procedure, best practices and the law. This includes recommendations on findings to increase thoroughness, quality and accuracy of each police unit reviewed.
